Dear Mr. Fletcher:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following item:

1. Line 5(e) of your Statement of Organization indicates that your committee is a separate segregated fund; however based on your previous filing(s), your committee appears to support/oppose more than one federal candidate and is NOT a separate segregated fund or party committee. Please be advised, a separate segregated fund is a political committee established, financed, maintained or controlled by a corporation, labor organization, membership organization, cooperative or trade association. If your committee is *not* a separate segregated fund, then an amended Statement of Organization should be submitted, which indicates the appropriate type of committee on Line 5(f). 11 CFR §102.2(a)(1)(i)

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
